Overview

This fall, In The Zone will be running a basketball-training league to help kids get ready for their winter season. The program will be held on Sundays from October 1 to October 29, 2017 between 12:00 am and 4:00 pm. (Oct 8 times are 4:00-8:00 pm)

Each Sunday, the training program will consist of 60 minutes of skill training and 60 minutes of games.

The 60 minutes of skills training will focus on approximately 20 minutes of ball handling, 30 minutes of shooting and finishing, and 10 minutes of footwork, agility and conditioning.

Each week, the instructors will pick teams and these teams will play games against each other. Teams will be based on ability, age, physical size, etc.

Ideally, this is how the program will develop: about 30 boys and 30 girls in grades 5-9 will enroll. The girls will train 12:00-2:00 one week and then 2:00-4:00 the next week. The boys will have the opposite schedule; 2:00-4:00 one week, then 12:00-2:00 the next. After the 60 minutes of skills training, the 30 kids would be split into six-5 player teams: 3 younger teams and 3 older teams. Two of the younger teams will play an 8-10 minute game on one court while the 3rd team rests. The same will happen on the other court with the older teams. After the first 8-10 minute game is over, one team will rest and the third team will play. This

rotation will continue for the hour: play two games, rest one game.

Depending on the situation, some kids might double roster, some kids might play with the older group and the younger group, some kids might move from older to younger or younger to older week by week, and some teams might have subs. The goal is to get 3 roughly competitive teams in each bracket each week.

PLEASE NOTE: There will always be some disparity between players on a team: someone is always going to be the oldest on the team; someone is always going to be the youngest; someone is always going to be the best and someone is always going to be the weakest. If you have an issue with your child being the oldest player on a team or playing with kids that are younger (or vice versa), you might want to consider other options. We'll place kids on teams that we feel will result in competitive games. We're not going to place kids on teams because their parents want them to play up.

By not having set teams and standings, the focus should be more on skill development and teaching rather than winning the game or the league title. No MVPs, no All-Stars just training.

Coaches and Trainers

The coaches and trainers will be local college/High School players and In the Zone AAU coaches.

Referees

Games will have 2 referees each
