Overview: This play day is designed to determine the relative competitiveness of each team so most of the league games can be scheduled against teams of similar ability. Each team plays three 20 minute games (except ITZ-Pt plays 2). Based on the number of teams in the 7/8th grade divisions, we will probably combine divisions depending on how the Play Day games go. Some Play Day games are cross-division in order to get overview of competitiveness.

Game Rules:

- 20 minute games, running clock. Stops last 2 minutes.
- No foul shots. Shooting fouls will be worth 1 point and team gets the ball back at half court.
- On 7th team foul, instead of 1 and 1, team gets 1 point and the ball back at half court.
- Two 30 second timeouts each game
- Each player gets 4 personal fouls.
- No press by leading team if up by 20 points
- Other PIAA rules in effect except those relating to uniform and score book requirements.
