Composition of League: There are generally three types of teams in the league:

- 1) Area athletic associations will enter teams into the league, e.g Bethlehem Township Athletic Association.
- 2) Groups of kids and their parents can get together and form teams for the leagues.
- 3) Individuals that want to play but do not have a team, or small groups of kids that want to play but don't have enough players to form a complete team can register with In the Zone and we will *try* to place them on a team. These teams are generally comprised of kids in the same predicament. If you sign up with a few friends, you will be placed on the same team.

Players, coaches and spectators are expected to act appropriately, show good sportsmanship, respect each other and maintain control.

Please note: Some people have been banned from In the Zone. If one of these players shows up on a roster, they will not be allowed to play. If they show up to watch, they will not be allowed in.
