Women's League

The season will consist of **12 games** and a playoff between the top half of the regular season teams. The season will run from:

Monday, June 12th to August 10th

Most games will be on Monday and Thursdays between 6:00 and 10:00 pm. All games will be at In the Zone.

League Policies

Double Headers: Some teams are traveling an hour or more to play in the league. Teams may opt for playing double headers to reduce travel time. Every attempt will be made to honor these requests; most of the time there will be a one game break between double-header games. Double Headers will only be for teams that want them.

Roster is limited to 12 players per team. There is no double rostering unless approved by the league director. ***Rosters will remain open until a team starts its third game. No additions will be allowed after that unless there are extenuating circumstances (injury, etc).***

Please state uniform/shirt color when registering. Colors will be approved based on order of receiving league deposit.

Although there are no minimum or maximum age restrictions, this is an adult women's league and rosters should reflect that. Younger players may play if they can handle it. League director reserves the right to prohibit players from playing if there seems to be a safety risk (i.e. a 5'1" 90 lb 8th grader probably shouldn't be playing against mature women).

Sportsmanship: Teams are expected to show good sportsmanship: no running up the score, no trash talking, no taunting, etc.

Spectators are also expected to show good sportsmanship. Yelling at the referees, talking to opposing team's players, taunting, mocking, etc will not be tolerated.

In the Zone is a family place. Typically there are a lot of kids around. Some of our AAU teams come out to watch the games; players are expected to set a good example and act responsibly.

Profanity will not be tolerated.

The League Director reserves the right to remove anyone from the league and/or building, to restrict entrance to the facility, and to enforce appropriate behavior by players, spectators, coaches etc.

Officials: The registration fee includes referee fees. 2 qualified referees will be scheduled for each game. *In the Zone* will provide the clock operator/scorer. Each team should also supply a scorer to insure accuracy.

Uniforms: *Every player on a team must have the same basic color shirt and it should be numbered.*

Miscellaneous: There should be enough time between games to allow for a brief warm-up for each team; however, warm-up time is not guaranteed and teams are not allowed to warm up on the other courts/baskets. The half courts are reserved for members and paying walk-in customers.

Coaches, managers and parents are expected to adhere to the standard policies of In the Zone and abide by these rules.

The snack bar, batting cages and fitness area will be open during the games. Separate fees apply.

Communications: League schedules, results, updates etc will be posted on website at <http://inthezonesports.biz/leagues> and emailed to managers/coaches.or anyone else that wants on email list.

Registration: The entry fee is \$525/team and is due in full by the first game. To reserve your spot in league, a \$200 deposit is due June 5th.

The registration form with roster including player numbers is due before playing team's first game.

Want to play but need a team?

Individual players can register and will be placed on a team provided there are enough individual registrations to create a full team. There will be a 7-9 man limit to these "house" rosters. Players should control substitutions to allow relatively equal playing time. There is no guarantee there will be a house team. Cost is \$80/player and is due in full before the first game. Fee includes T-shirt.

League Director is Steve Turpening
