Fundamentally Driven !

"My son has done camps all over NJ and the Poconos and the ones at In the Zone are by far the best. Coach Turpening goes into so much more detail and also explains when to use certain moves. No other camp can compare to In the Zone." J.H. Washington, NJ

Our Camp Philosophy: Our camps are designed to teach more than what is done at the typical school camp. We believe in detailed instruction on both fundamentals and more advanced moves. We break things down, step by step, focusing on proper footwork, correct body position and efficient technique. For most drills, everyone will have a ball and everyone will get in a lot of reps. We hate lines and strive to keep idle time to a minimum. When we scrimmage, we mainly do controlled small side scrimmaging, 1 v 1, 2 v 2 and 3 v 3; this results in more touches per player and a more fundamentally centric half court game. It's our experience that as soon as we go 5 on 5 full court, all the day's hard work is forgotten and it's run and gun time. We also don't waste time playing camp- wide games of knock out that take 30 minutes to complete (a little knock out every now and then is ok). We don't believe in individual awards for campers— everyone learns and develops at their own pace.

Our facility is air conditioned and set at 80 degrees.
